Month

Quote for the Month

“The true meaning of life is to plant trees

under whose shade you do” Nelson Henderson

CEO Corner

- PCH still recruiting for our 4th Practitioner but have not had any success to-date
- Nursing has needs on the floor and clinic for RN, LPN and CNAs
- Continue to work to get 340B Pharmacy program up

- PCH feasibility study still in progress with Eide Bailly and sit visit planned
- Continue to work on our HVAC system to run right
- Looking small remodels— clinic nurse station and ice machine moving

KUDOS to the PCH Staff

- Certificate of Excellence for reporting 90% of Tumor Registry cases
- Health-Care Foundation for another successful dinner/auction. Thanks everyone!
